EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kurt Pankratz on 9/20/06.

The application has been amended as follows:

As to claim 17, line 1, change "Logic" to --A computer program--; and change "logic" to --computer program--.

As to claims 18-21, line 1, change "logic" to --computer program--.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: none of prior art teach or suggest a handheld device comprising a memory maintaining a spatial signature comprising a particular movement of the device with respect to a reference position, a signature detection module determining an input signature by identifying an initial position of the device and tracking movement of the device in reference to the initial position using the motion detection module, and determining whether the input signature matches the spatial signature, and generating an authorization in response to determining that the input signature matches the spatial signature as claimed in independent claims 1, 10, 17 and 22.
